

FEBRUARY 2012

DRUG = Brand Drug drug = Generic Drug P = Prior Authorization M = Maintenance Benefit

A = Tier 1 B = Tier 2 C = Tier 3 I = Charged to Medical S = Step Therapy Required R = Restricted

drug* = Brand name listed for reference only, a generic equivalent is available + = Preferred Test Strip

Brand Name products where generic is available; generic copayment plus the cost difference between brand and generic will apply

Your specific prescription benefit plan design may not cover certain categories of drugs, regardless of their appearance in this list.
