

FEBRUARY 2012

A = Tier 1 B = Tier 2 C= Tier 3 DRUG = Brand Drug drug = Generic Drug I = Charged to Medical

P = Prior Authorization S = Step Therapy Required M = Maintenance Benefit + = Preferred Test Strip

drug* = Brand name listed for reference only, a generic equivalent is available R = Restricted

Brand Name products where generic is available; generic copayment plus the cost difference between brand and generic will apply

Your specific prescription benefit plan design may not cover certain categories of drugs, regardless of their appearance in this list
